

Changes to the GM Retirement Savings Plan Investment Lineup

This notice is to inform you of important upcoming changes in the GM Retirement Savings Plan (RSP), effective after 4 p.m. Eastern time on June 17, 2019.

The following investment funds in the RSP will be replaced with a lower cost alternative:

- The State Street Target Retirement Funds will change from State Street Target Retirement Non-Lending Series Fund Class P to State Street Target Retirement Securities Lending Series Fund Class IV.
- The State Street International Index Securities Lending Series Fund Class GM-M will change to State Street World Developed ex US Index Securities Lending Series Fund Class II.
- The State Street Emerging Markets Index Non-Lending Series Fund Class GM-M will change to State Street Emerging Markets Index Securities Lending Series Fund Class II.
- The Neuberger Berman Sustainable Equity Trust will be removed and be replaced with the Vanguard FTSE Social Index Fund.

There will also be a share class change in the following investment options:

- State Street S&P 500[®] Index Securities Lending Series Fund Class GM-M will change to State Street S&P 500[®] Index Securities Lending Series Fund Class I.
- State Street Russell Small/Mid Cap[®] Index Securities Lending Series Fund Class GM-M will change to State Street Russell Small/Mid Cap[®] Index Securities Lending Series Fund Class II.

In addition to the changes mentioned above, effective June 17, 2019, the State Street REIT Index Securities Lending Series Fund Class GM-M will be renamed the State Street REIT Index Securities Lending Series Fund Class II.

The dates shown are based on the timing and accuracy of a variety of factors, including the transfer of data, receipt of instructions, and receipt of assets. Changes in any of these factors may result in changes to the dates and timing, including the dates on which, and thus the prices at which, assets in your account are sold and/or reinvested.
